

2012 IEEE ISSST

International Symposium on  
Sustainable Systems and Technology

May 16-18, 2012, Boston, Mass., USA

2012 IEEE International Symposium on Sustainable Systems and Technology  
**Scientific Committee**

|                   |  |
|-------------------|--|
| Brad Allenby      | Arizona State University, USA                |
| Callie Babbitt    | Rochester Institute of Technology, USA       |
| Huajun Cao        | Chongqing University, China                  |
| David Dornfeld    | University of California, Berkeley, USA      |
| Joost Duflou      | KU Leuven, Belgium                           |
| Matthew Eckelman  | Northeastern University, USA                 |
| Colin Fitzpatrick | University of Limerick, Ireland              |
| Richard Gartman   | Texas Instruments Inc., USA                  |
| Gabrielle Gaustad | Rochester Institute of Technology, USA       |
| Roland Geyer      | University of California, Santa Barbara, USA |
| Daniel Gmach      | HP Labs, USA                                 |
| Jeremy Gregory    | Massachusetts Institute of Technology, USA   |
| Timothy Gutowski  | Massachusetts Institute of Technology, USA   |
| John Harland      | Intel Corporation, USA                       |
| Jacqueline Isaacs | Northeastern University, USA                 |
| Vikas Khanna      | University of Pittsburgh, USA                |
| Randolph Kirchain | Massachusetts Institute of Technology, USA   |
| Lise Laurin       | Earthshift Inc. USA                          |
| Barbara Linke     | University of California, Berkeley, USA      |
| Scott Matthews    | Carnegie Mellon University, USA              |
| Andrew Nee        | National University of Singapore, Singapore  |
| Hilary Nixon      | San Jose State University, USA               |
| Julie Schoenung   | University of California, Davis, USA         |
| Thomas Seager     | Arizona State University, USA                |
| Deepak Sivaraman  | University of Michigan, USA                  |
| Markus Stutz      | Dell Inc, Germany                            |
| John Sutherland   | Purdue University, USA                       |
| Kazue Takahashi   | NTT Group, Japan                             |
| Shozo Takata      | Waseda University, Japan                     |
| Omer Tatari       | University of Central Florida, USA           |
| Yasushi Umeda     | Osaka University, Japan                      |
| Eric Williams     | Arizona State University, USA                |
| Ming Xu           | University of Michigan, USA                  |
| Chris Yuan        | University of Wisconsin, Milwaukee, USA      |
| Hong-chao Zhang   | Texas Tech University, USA                   |
| Fu Zhao           | Purdue University, USA                       |
